# President's Message by Nancy Hull

SBAA's busy spring kicked off with The Art and Photography Show, at the Santa Barbara International Orchid Show, the only themed show this year managed by SBAA. The ingathering was the visual feast that we've come to expect over the years. Being in the midst of thousands of blooming orchids and the exhibits under construction, while enjoying the orchid-themed art as it is entered, is always a treat. Our juror this year, Ray Hunter, awarded first place to David Holt (deceased former SBAA member) for *Star Orchids* that his widow submitted, second to **Gail McBride Kenny** for *A Chorus Line*, and third to **Heisoon Haan** for *Heart of Orchid*. **Martha Shilliday** and **Francine McOwen** received Honorable Mentions. There were 60 entries, of which 55 were accepted.

**Monday, March 25** will be the next opportunity for your artist friends and acquaintances to apply for membership in the SBAA. As usual, jurying will take place at the Faulkner, BUT now the window is from **10—12**. We hope that by trimming a half hour off the entry window, we'll be able to finish jurying and cross-checking on time, preventing a long wait outside the gallery before receiving results.

I look forward to seeing you at the **Annual Celebration on Sunday, April 14 at the Glenn Annie Golf Course!** This is our one yearly opportunity to come together and thank our volunteers, celebrate a year of fabulous shows and award winners, and welcome our newer members. There will be time to socialize before lunch from 11:30—12 and also to grab a glass of wine or a pint should you wish, and even a chance for a little collaborative art, if you want to participate. If you haven't done so already, please send your payment (\$10 per person) to SBAA, PO Box 61642, Santa Barbara, CA 93160. Checks must be received by March 28. Below is the slate of officers we will vote on after the lunch.

In June, we'll finally be back in the Faulkner, so you'll have an opportunity to enter those new pieces created in the last six months. There will be a reception on First Thursday and we hope to see you at the ingathering.

This month Julianne Martin is our featured board member...

I am a fairly new member to SBAA, as I joined during the fall of 2017. I soon became involved in helping out with the SBAA ingatherings as I was appreciative of how the members of the board were so organized, hard working, and thoughtful in running things. I was invited to join the Board of Directors last year and it has been an honor and a wonderful experience.

I grew up in Orange County and during my childhood my creative expression was mostly in the direction of modern dance, although I thoroughly enjoyed drawing, painting, and sewing. My early adulthood took me down a practical path and I earned a BA in business administration and became a financial analyst.

Longing for what I felt might be a more meaningful existence, I soon redirected my energies and earned a BA, MA, and doctorate in clinical psychology. In this fulfilling line of work, I am able to work creatively in helping others from all walks of life find ways to improve their lives.

As I have long had a love of nature, I have taken photographs of beautiful places for many years. I began exhibiting my photography in 2016. In the last couple years, I attended classes at SBCC to learn printmaking. I am now venturing into watercolor and pastels, as it is an ever-evolving process as an emerging visual artist. I am very grateful to be a member of SBAA and surrounded by such talented artists.

Artists of the Month: **Rick Doehring**

In his show, Mad World - an Abstract, he reflects the energies of current society, a complication of forces which is chaotic at times, spurred on by the anti-social behavior of our leaders. Sometimes there seems to be no escaping their behaviors which threaten to thrust their mad world upon us – but he believes the creation of art, and its subsequent contemplation, can provide outlets for our reactions and give us a chance to reclaim and display some of the more positive energies in society.
