**MESSAGE FROM THE 2020/2021 SBAA PRESIDENT
CATHIE SMITH**

Dear SBAA Membership,

First let me say, that despite the bizarre circumstances of our lives these days, I am very happy to have been asked back to serve as your President. The Board and I will do everything we can to keep you well informed as to our scheduled shows and New Members Ingatherings but those events are in the hands of the venues that right now are closed to the general public.

This week, membership renewal notices were mailed out. The Heart of the SBAA is its diversity of talents and friendships.

Please continue to support SBAA during this difficult time and help keep it strong for the future.

Be Kind. Be Hopeful. Let your creativity help keep you centered and calm.

Until we can meet and HUG again, be safe and be well.

SBAA MEMBERSHIP RENEWAL FOR JULY 1, 2020 - JUNE 30, 2021

Dear SBAA Members,

We will cautiously be opening Gallery 113 on **Monday June 29th**. We have instituted the necessary mitigation measures directed by the Santa Barbara County Public Health Dept. and have been certified to be in compliance.

Our hours for the time being will be only the afternoon shift from 2-5pm. The gallery, as always, needs volunteer sitters to be open, so if you wish to be a gallery host/hostess once more, contact me lopezmanny@yahoo.com and I will schedule you for training. My usual training day is on Mondays 2-5. The door code has been changed and will be given only to people that are trained.

I would like to remind you that volunteering is not mandatory, you can show your art-work in the gallery even if you don't volunteer, however, the gallery cannot be open without volunteers so, whether the gallery is open or not is up to you....

Gallery 113 Needs Volunteers for Board Positions

We have some long serving members leaving the Gallery 113 Board at this time and this has created openings in some key board positions. Anyone interested in serving on the gallery board can contact Manny Lopez at lopezmanny@yahoo.com for more information.

One of the jobs that is available is the Featured Artist Scheduler, probably the most important job in the gallery, currently done by Katy Zappala. Also available is the SBAA/Gallery Liaison another very important job currently done by Lori Lenz. If you are interested in one of these positions, Manny will send you a complete job description.

These jobs generally require someone who is a self-starter, able to take the initiative when necessary but also work with other board members to improve gallery operations.

FEATURED ARTISTS FOR 2021

Starting July 15, members may request wall space for 2021 in Gallery 113 by contacting Katy Zappala at G113wallspace@aol.com
